## PL CMFT 1200 P 33W 830 U19 DALIVR

PANEL COMFORT 1200 UGR<19 DALI | Rectangular recessed panel luminaire with low glare, for 1200 x 300 mm ceiling systems and DALI-2 IoT technology

### Areas of application

- Direct replacement for recessed luminaires with fluorescent lamps
- Offices, conference rooms
- Reception areas, foyers, corridors, elevators
- Suitable for recessed ceiling systems with grid size of 1200 x 300 mm

### Product benefits

- Suitable luminaire for VIVARES and other DALI-2 Light Management Systems
- Tool-free electrical connection due to push button connector
- Through-wiring possible with included connector box
- Energy savings thanks to high system efficacy: up to 130 lm/W
- Good glare reduction (UGR < 19)
- High color consistency with SDCM 3
- Extended services such as energy monitoring and remote maintenance possible with DALI versions
- External driver for extended flexibility and easy installation
- Low flicker light thanks to special electronic control gear
- Suitable for emergency lighting
- 5 years guarantee

### Product features

- IoT-ready luminaire with DALI-2 technology

- Suitable for central battery emergency installations acc. to EN 60598-2-22
- Push DIM function for dimming and switching directly on a pushbutton
- Extruded aluminum frame
- Polystyrene diffuser
- 5-pole terminal block, cable cross section up to 5 x 2.5 mm<sup>2</sup>
- Lifetime (L80/B10): 70,000 h (at 25 °C)

## TECHNICAL DATA

### Electrical data

|                                                             |                       |
|-------------------------------------------------------------|-----------------------|
| Nominal wattage                                             | 33.00 W <sup>1)</sup> |
| Nominal voltage                                             | 220...240 V           |
| Mains frequency                                             | 0/50/60 Hz            |
| Nominal current                                             | 155.000 mA            |
| Inrush current                                              | 4,4 A                 |
| Inrush current time T <sub>h50</sub>                        | 440 µs                |
| Max. number of luminaires per miniature circuit breaker B16 | 40                    |
| Max. number of luminaires per miniature circuit breaker C10 | 40                    |
| Max. number of luminaires per miniature circuit breaker C16 | 65                    |
| Power factor $\lambda$                                      | > 0.90                |
| Total harmonic distortion                                   | < 20 %                |
| Protection class                                            | II                    |
| Operating mode                                              | External LED driver   |
| Dimming interface                                           | DALI-2 / IoT          |

<sup>1)</sup> CRI80 versions of the Panel Comfort family are fulfilling the technical minimum requirements according to the German BEG subsidy program for energy efficient luminaires

### Photometrical data

|                                              |                        |
|----------------------------------------------|------------------------|
| Luminous flux                                | 4320 lm <sup>1)</sup>  |
| Luminous efficacy                            | 130 lm/W <sup>1)</sup> |
| Color temperature                            | 3000 K                 |
| Light color (designation)                    | Warm White             |
| Color rendering index Ra                     | > 80                   |
| Standard deviation of color matching         | ≤3 sdc <sub>m</sub>    |
| Low flicker                                  | Yes                    |
| Flickering metric (Pst LM)                   | <1                     |
| Stroboscope effect metric (SVM)              | < 0.4                  |
| Photobiological safety group acc. to EN62778 | RG0                    |
| Beam angle                                   | 90 °                   |
| UGR                                          | < 19                   |

## Dimensions & Weight

|                |            |
|----------------|------------|
| Length         | 1195.00 mm |
| Width          | 295.00 mm  |
| Height         | 11.00 mm   |
| Product weight | 3140.00 g  |

PL COMP 1200

## Materials & Colors

|                |                  |
|----------------|------------------|
| Product color  | White            |
| Housing color  | White            |
| Body material  | Steel            |
| Cover material | Polystyrene (PS) |

|                                            |             |
|--------------------------------------------|-------------|
| Light emitting surface material            | Polystyrene |
| Glow Wire Test according to IEC 60695-2-12 | 650 °C      |
| Mercury content                            | 0.0 mg      |

### Application & Mounting

|                                        |                                                 |
|----------------------------------------|-------------------------------------------------|
| Ambient temperature range              | -10...+50 °C                                    |
| Temperature range at storage           | -20...+80 °C                                    |
| Type of connection                     | Screwless terminal, 5-Pole (L, N, PE, DA+, DA-) |
| Type of protection                     | IP40/IP20                                       |
| Protection class IK (shock resistance) | IK02                                            |
| Dimmable                               | Yes                                             |
| Type of dimming                        | DALI2                                           |
| Mounting type                          | Recessed/Suspended/Surface                      |
| Mounting location                      | Ceiling                                         |
| Application environment                | Indoor                                          |
| Mounting length                        | 1185 mm                                         |
| Mounting width                         | 285 mm                                          |
| Mounting depth                         | 50,0 mm                                         |
| Adjustable                             | No                                              |
| With light source                      | Yes                                             |

### Lifespan

|                            |                        |
|----------------------------|------------------------|
| Lifespan L70/B50 at 25 °C  | 100000 h <sup>1)</sup> |
| Lifespan L80/B10 at 25 °C  | 70000 h <sup>1)</sup>  |
| Lifespan L80/B50 at 25 °C  | 70000 h                |
| Lifespan L90/B10 at 25 °C  | 48000 h                |
| Number of switching cycles | 50000                  |

<sup>1)</sup> t[h]: L70 / B50 @ 25 °C (Ta), t[h]: L80 / B10 @ 25 °C (Ta), t[h]: L90 / B10 @ 25 °C (Ta)

### Control gear

|                             |           |
|-----------------------------|-----------|
| Output current              | 750 mA    |
| ECG - Output ripple current | < 5 %     |
| ECG - Length                | 209,00 mm |
| ECG - Width                 | 42,5 mm   |
| ECG - Height                | 30 mm     |

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Recommended control gear | OSRAM OTI DALI 50/220-240/1A4 NFC; Tridonic LCA 45W 500-1400mA one4all SC PRE |
|--------------------------|-------------------------------------------------------------------------------|

Emergency lighting

|                                           |        |
|-------------------------------------------|--------|
| Wattage in emergency operation mode       | 6,5 W  |
| Luminous flux in emergency operation mode | 600 lm |

Certificates & Standards

|                                                      |                                   |
|------------------------------------------------------|-----------------------------------|
| Standards                                            | CE / CB / ENEC / UKCA / EAC / EPD |
| Luminaire with limited surface temperature, "D sign" | No                                |
| Ball shot safe                                       | No                                |
| EPD                                                  | LEDV-00012-V01.01-EN              |
| Replaceable light source (EPREL)                     | Not replaceable                   |

## EQUIPMENT / ACCESSORIES

- Accessories for several mounting options available
- Connector box with 5-pole terminal included
- Security rope for luminaire included
- Security brackets preinstalled
- External control gear included
- Separate DC twist lock cable extension available
- Suitable for use with separate Emergency Conversion Box
